## CLUB HISTORY

In 1920 Kelvedon Hatch Football Club was formed to enable the local boys, of what was then a very small Essex village, to play organised football. The Club continued up to the war years, when, like so many other clubs, it was temporarily disbanded and then re-formed in 1946.

Kelvedon Hatch played for many years in local football leagues until the mid 1970's, at which time it applied to join the Greene King South Essex League. The Club was admitted to the League, where it was to play for many years.

In order to progress, the Club applied for membership to the Essex Olympian League, and was admitted as a member in 1985.

The first few years in the League were spent in adjusting to the higher grade football and setting about the task of recruiting better players to assist with the progression of the Club. During a period of ten years the Club achieved outstanding success.

**MANAGER'S CORNER**

Firstly, I would like to welcome Debden Sports FC to School Road for this Essex Junior Cup match. They have beaten Ramsden, Mountnessing and Old Chelmsfordians convincingly to reach this the fourth round stage. Today will prove a tough test against what is clearly a strong Debden side.

Our last game was in the league away at Hutton FC which we won 2-1. I was very pleased with the team's performance on a wet and windy day making playing conditions very difficult. The side stuck to the task in hand and showed great commitment and determination to get their deserved win. An around good team performance which hopefully we can take into today's game.

This season so far has very much been a squad game and having a large squad has only benefited the side. The competition for places is fierce but all players have shown a great professional attitude and know that they must be at the top of their game each week. I feel I have a squad of players that can do well this season but the players need to start believing in themselves if they are to show their full potential.

I would like to take this opportunity to thank all the players for their hard work, determination and good team spirit during the season so far. All these assets and more are required to achieve a good result today.

**GOOD AFTERNOON**

Kelvedon Hatch Football Club would like to welcome the Match Officials, our opponents Debden Sports Club FC, their Club Officials and Supporters to School Road for this Essex County Football Association Junior Cup Round 4 match.

We hope you have an enjoyable visit and a safe journey home.

The Kelvedon Hatch Football Club Bar is now open after our home games and the match officials, the players, officials and supporters of our visiting teams are more than welcome to use this facility.

Debden Sports Club FC play in the Romford & District Football League Senior Division and are currently lying in third place with the same amount of points as the two teams above them, Clack United and Newtown Wesley, and have lost only one league game all season.

The winners of this match play the winners of the Galleywood v Takeley or Runwell Hospital games still to be played in the Area Final.

KELVEDON HATCH 4 - 0 BENFLEET

Kelvedon Hatch welcomed Benfleet to School Road on a crisp, breezy and bright afternoon hoping to reverse the 3-0 drubbing away fixture earlier in the season.

From the start of the first half it was Hatch who took the game to Benfleet, playing some excellent football that Benfleet could not handle. On 8 mins Hatch were awarded a free kick just outside the penalty box. Ryan Sammons took the free kick and his pinpoint accuracy found Mark Risley drifting unmarked into the six-yard box. Rizzo leapt like a salmon to head powerfully and accurately home, giving their keeper no chance, 1-0, possibly the best header ever seen at School Road and his first goal for the club. Hatch continued to outplay Benfleet and created a couple of good chances but Chris Wolff and Robbie McCarthy both failed to score. On 32 mins the Hatch were awarded another free kick, this time Jon Bates was to find Rizzo with his free kick, Rizzo headed home again, surely a contender for goal of the season, 2-0. The remainder of the half saw Benfleet get back into the game and thankfully they squandered a couple of chances. It was Hatch who were all smiles at the half time whistle.

The Benfleet half time team talk worked as they upped their work rate and for 23 mins the game was fairly even as Steve Carter marshalled his competent defence. On 64 mins Craig Cripps replaced Robbie McCarthy and on 67 mins Gavin Cooper replaced James Burt. On 68 mins another plum cross by Batesy after good team work, was this time headed home by Tony Price, again giving their keeper no chance, 3-0. Hatch were now flying high as they upped their game again. On 74 mins another quality delivery from a Sammons corner resulted in Rizzo having yet another great header saved this time by their keeper, but Pricey was on hand to lash home the rebound from within in the six yard box, 4-0. Hatch were now running the game with ease, the only question surely was who would score their hat trick first, Rizzo or Pricey, sadly neither as Nick Stagg replaced Rizzo after a hamstring twinge. The game came to an end with another well deserved 4-0 victory for the Hatch, but for the missed chances it would have been even more of a goal fest for the Hatch.

The Hatch supporters had seen their side completely batter Benfleet apart with their passing football that was a pleasure to watch, if they keep this up surely some silver ware can come their way again this season.

SATURDAY 05/01/08  
ESSEX OLYMPIAN FOOTBALL LEAGUE - RESERVE DIVISION 2  
HUTTON RES 1 - 2 KELVEDON HATCH RES

Kelvedon Hatch Reserves travelled to Hutton FC on a bright and crisp Saturday afternoon for a tough league fixture against a team who had previously inflicted a 2-0 defeat on the Hatch at School Road earlier in the season.

Hatch came out the blocks by far the quicker of the two sides and had Hutton camped in their own half for the first 20 minutes. Some good work from Dean Walker on the left supplied a couple of early crosses but the strong Hutton defence held firm. On 25 mins, against the run of play, Hatch were 1-0 down after the rookie Hatch goalkeeper Evan Jellis cleared the ball straight to the Hutton centre forward, who chipped the ball goal wards only for the back pedalling Jelliss to trip over, allowing to ball to float over him. Hatch were stunned by being 1-0 down but continued their good work with Martin King in midfield pulling all the strings. For all their possession the Hatch failed to create any clear cut goal scoring opportunities and remained 1-0 down at the half time whistle.

The second half started with Hutton having their best period of the game. They maintained possession with a 15 minute spell of slick passing football, but the Hatch defence remained defiant and prevented Hutton from adding to their goal tally. On 65 mins Hatch was level when a cross from John Kendall was only parried by their keeper leaving Stuart Jones to tap in from 2 yards, 1-1. It was now Hatch who were the stronger of the two sides and they put continuous pressure on the Hutton goal. Two goalmouth scrambles amazingly did not result in a goal, Lee Walker came close twice; once hitting the bar and secondly a header from 5 yards only just saved. With a minute to go and the result looking certain to finish as a draw another goalmouth scramble in the Hutton penalty area. A shot from Martin King was deflected by Stuart Jones past their keeper giving him no chance, 1-2, his second of the match and the deserved winner for the Hatch.

Another strong performance from the Hatch squad of 14 players, who all showed great determination and commitment to ensure this victory. Next week the Hatch will need to be at their best as they are away to Ramsden in the league, who have won all 4 of their home games so far this season.

Kelvedon Hatch:

Evan Jellis, Gavin Walker, Kevin Morrison, James McCayna (Phillip Dear), Jon Kendall, Martin King, Dean Walker, Ben Aldorino (Russ Inglis), Stuart Jones, James Imber (Lee Summers).
