Dear Colleague

Re: Charter Standard Clubs

Many thanks for requesting further information on the Charter Standard Clubs Scheme. I am delighted to enclose a Charter Standard Club Development Manual and Application Form.

The Manual provides you with advice and assistance, which will not only benefit your Charter Standard Club application but it will support your club's development in the future. On completing your Application Form, please return it to your County Football Association, together with the necessary evidence required.

To assist your County Football Association please ensure that your evidence appears in order of the criteria.

In respect of Child Protection and Best Practice please follow the latest advice from The Football Association.

I do hope that you find the resource of benefit to your club and good luck with your application.

If you have any queries please do not hesitate to contact your County Football Association or myself at The Football Association Headquarters.

Yours sincerely

Les Howie
National Club Development Manager
