

FOUNDED 1979

CANTERBURY EAGLES F.C.

INFORMATION FOR SPONSORS

Canterbury Eagles F.C. was founded in 1979 with the aim of promoting football, sportsmanship and discipline.

The Club is managed by a Committee of parents who uphold the Club ethos and ensure that it is run effectively, having regard for current guidelines and legislation.

The Club has a Constitution, Managers agreement, Code of Conduct (players & parents), Child Welfare Policy, Equal Opportunities Policy and Emergency treatment Policy.

The Club is affiliated to The Kent County Football Association and The East Kent Youth Football League. Canterbury Eagles was awarded the F.A. Charter Standard in July 2005 in recognition of its quality of service and good practice.

All Officers and Managers are required to complete the necessary F.A. Volunteer application forms.

We aim to have all Managers and coaches F.A. trained within their area of responsibility within 18 months of joining the Club. This is dependant on available funds, as each course costs around £150.

The Club holds its A.G.M. in May each year. All parents are invited and are informed of the past year's events, finances and achievements.
