**We have not yet finalised the accounts, as we were collecting counterfoils right up to 7.30 pm on the night of the draw, and we will publish as soon as possible the figures for all moneys raised for the WNAA Air Ambulance, the participating Organisations, and the part-funding of Christmas food parcels for the needy (again, over 400 were delivered), to which we added a substantial sum.**

**We operate under Lions Clubs International code of ethics, and the requirements of The Charities Commission. We report all lottery accounts to Kettering Borough Council under provisions of our licence as shown on tickets.**

**Members of Kettering & District Lions Club have taken 0% from the nett proceeds\* of organising this raffle.**

**\*Nett Proceeds = monies taken, less only the cost of printing the tickets and the £500 prize.**
