

Spencers Wood Youth FC Boot Exchange

'My children's feet are growing too fast...'

'I don't like them anymore...'

'I only bought them last week and they've outgrown them already...'

'I'm fed up of paying through the nose for new ones...'

Sound familiar???

Your football club is introducing a boot exchange.

If you're fed up with constantly having to pay out for new football boots/trainers for your kids then the Spencers Wood Boot Exchange could be the answer in just 3 easy steps.

Step 1. Browse our stock on the website www.swyfc.co.uk

Step 2. Reserve an item.

Step 3. Exchange your outgrown pair(s) for your chosen item plus a small donation to the club.

It's as easy as that!

All spare boots of all sizes and conditions also gratefully accepted.
