Notes

Match Report – We are only looking for you to note down key points:

- Goals (By who, assists, time)
- Good moves (from both teams, with small description)
- Outstanding moments (Who by, time, etc...)
- Substitutions
- Anything else (Bit of comedy wouldn't go unnoticed)

Trophy –The person listed will be the players guardian on the day presenting it. The decision is a unanimous parents decision. Please take into account:

- Effort
- Achievement
- Teamplay
- Spirit

If the game you are scheduled to be helping out is cancelled, consider yourself lucky as you will not have to do your duties that time around. Call it the luck of the draw.
