

GROVE FARM JUNIOR FOOTBALL CLUB

HAVE YOU GOT OLD PAIRS OF BOOTS THAT COST A FORTUNE, WERE WORN FOR SIX MONTHS AND THEN DISCARDED WHEN THEY GOT TOO SMALL ?

Now you can do something really useful with them and help the club at the same time. Basically we are asking members to donate pairs of boots, that are no longer worn, to the club. These will be cleaned and offered for re-sale at a very modest price, to club members only. This has two advantages, it helps raise funds for the club and at the same time re-cycles those nearly new boots helping fellow club members.

To donate a pair of boots just give them to your team manager who will pass them on. Alternatively give them to Bob Alcock who trains at Stockingford Junior school every Saturday.

Below is the current selection of boots. So why not get a spare pair of match boots or a pair for training. If you are interested then phone Bob on 76737287 or e-mail grovefarmjfc@ntlworld.com and he will arrange fitting/delivery etc.
