

HOLIDAY DATES

Dear Parents

This coming season the league have stopped the Emergency stand down. This leaves Teams only one option if they wish to cancel a match and that is to apply for the normal stand down with 28 days notice. Only **ONE** of these will be allowed per team this season. That means if any other games are cancelled (because they can't field a team) then the team cancelling **will forfeit the game !!** For that reason please find below the school holiday dates and the dates matches will and will not be played in relation to those holidays. If you are going to be away it is essential you inform your manager as early as possible so he can plan ahead. These dates and games apply to **ALL** teams. Thanks for your co-operation.
