

Grainger Park Boys Club Expenditure Application Process

Application for Equipment

As you are all aware the club has limited funding available to purchase new equipment so the following process will apply:

All requests for equipment from club funds must be made on the Expenditure Application Form which can be downloaded from the website. Under no circumstances should any equipment be purchased without the necessary approval.

Where teams do not wish to draw on club funds they are free to purchase equipment from an appropriate source but they must pay the supplier directly for this and not enter into any form of credit agreement.

All applications must be passed in the first instance signed by the team manager and completed to:

Michael Gray
41 Rothley Ave
Fenham
NE5 2DU

Applications will be considered by the Chair, Treasurer & Asst Treasurer and the requestor informed of how to proceed. Where a request is made involves their own team, appropriate other club officials will make the final decision.

Please bear in mind when making your application that this may not be an instant decision. It should be noted that decisions will take into account the financial position of the club at the time of the application. You can help the situation by ensuring your bonds and subs are paid on time as per the club rules.
